Sir:

Petitioner, Protein Design Lab, Inc., is the owner of the entire right, title and interest in the instant application. Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 USC §§ 154-156 and § 173, as presently shortened by any terminal disclaimer, of Patent Number 5,530,101, filed December 19, 1990.

Petitioner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend beyond the expiration date of the full statutory term as defined in 35 USC §§ 154-156 and § 173 of any one of the prior patent, as presently shortened by any terminal disclaimer, in the event that the prior patent later expires for
